become night, and the reels will empty. You will now be given three spins, which will be recharged up to three every time any symbol lands on the reels. There are multiple types of multiplier and bonus symbols that can land, and when they do, they will stick. The most common symbols are multipliers; the values can be between 1x and 200x and are added to the total win. However, there are also multiple characters that can land at the same time.
