<p></p><p>The news was announced on Sunday by Microsoft's gaming head Phil Spencer. We are pleased to announce that Microsoft and X , PlayStation have signed a binding agreement to keep Call of Duty on PlayStation following the acquisition of Activision Blizzard, Spencer X , tweeted. We look forward to a future where players globally have more choice to play their favorite games.

<p>A Microsoft spokesperson X , subsequently confirmed to The Verge that the deal would last for a term of 10 years, and covers Call of X , Duty only not any other Activision Blizzard games. That puts it on a par with agreements Microsoft had previously X , signed with Nintendo, Nvidia, and others.</p>
<p>Microsoft president Brad Smith also commented, saying, From Day One of this acquisition, we've been X , committed to addressing the concerns of regulators, platform and game developers, and consumers. Even after we cross the finish line X , for this deal's approval, we will remain focused on ensuring that Call of Duty remains available on more platforms and X , for more consumers than ever before. </p>
<p>The signing of the deal marks the end of a long stalemate, during which Microsoft X , made repeated public offers to keep Call of Duty on PlayStation, while Sony dismissed these and instead attempted to use X , its leverage with regulators to sink Microsoft's \$68.7 billion acquisition of Activision Blizzard completely. I don't want a new Call of X , Duty deal. I just want to block your merger, PlayStation boss Jim Ryan reportedly told Activision executives on the day X , of a meeting with European Union regulators in February.</p>
<p>PlayStation's strategy was to use Call of Duty to convince regulators that the X , merger would kill competition in the console market, because Microsoft would withhold the games from PlayStation or release inferior versions X , there. But this strategy was none too successful. EU regulators were satisfied with the assurances offered by Microsoft, while the X , U.K.'s Competition and Markets Authority eventually conceded it was in Microsoft's interest to keep Call of Duty available to PlayStation's X , huge audience, and switched tack in its opposition of th
