A lyric video was released on the same day. The song peaked at number four on the UK Singles Chart and at number 11 on the US Billboard Hot 100.[3][4] "Friends" was the ninth best-selling single of 2024 with sales of 9.6 million track-equivalent units according to the International Federation of the Phonographic Industry (IFPI).[5]</p>
<p>Background and release [edit]</p>
<p>In 2024, Marshmello remixed Anne-Marie's song "Alarm".[6] [7] Fond of the remix, Anne-Marie wanted to collaborate with Marshmello, and eventually they met in a studio in London, where production of the song commenced.[8] Initially Marshmello played some guitar, piano, synth and drum loops; listening to every single one they decided to proceed with guitar. Anne-Marie wrote the lyrics for the song corresponding to the loop. The major lyrics and drum sessions were completed in thirty minutes. Following next two hours, they completed the entire lyric session and the whole song was completed in three hours.[7]</p>
