TapTap is a mobile game-sharing community and third-party game store that originated in China, operated by XD8, Inc. The platform allows users to download games and engage within the community.

Conclusion. From the points we've mentioned above, it can be concluded that the TapTap version is more balanced as it restricts the chipset performance so your device won't get too hot while also cutting down the number of frame drops.

Here are the Differences Between the PlayStore and TapTap Versions of ...
