<p&gt;It s a really good game it s fun to play and entertaining I like this g
ame because you couldn t make
                                  , sure the sound and there s no sound without lo
ading up your device or 11 get down so get down so , it s a really good game i
  s fun to play and it really entertaining I like this game because you can
make sure the sound and there s no sound without increasing up your device or lo
wing it so what I would , like to say is that they should get quite a bit of a
n upgrade and stop telling you to continuously , get something because during
the run because you d be focusing on your high score instead of something else a
sit s
         , really distracting and takes up a lot of your time during the run as
in addition I would like to , say that there is quite a couple of good things
about this because you can watch an advert if you , wanted to you to get the d
aily rewards are really rewarding and you can get a lot of keys which
help you speed up one thing I do not like about this game is how the speed goes
        as you run fast I guess that s all the cons and all the pros Plus there s
a lot of kind
             , of thing you diget five of something and you get is money and
in the money the randomising money thing , is that you didn t after 10,000 co
ins right but usually it is 1000 coins and below which is kind of
                                                              , really ran
dom because it s frustrating as I m trying to get a lot of money which would hel
p if you d allowed , us to get a lot of money in a certain time not just 1100
or 200</p&gt;
