Call of Duty: Mobile has an adult PEGI rating

due to the level and nature of violence in the game. The game can often require motiveless killing or violence towards defenceless characters.

This age rating is also awarded due to the more realistic-looking violence and the use of bad language.

It isn't bad at all 12+

You can also turn off the gore in settings. If your child asks you for this game and they're 12+ you should definitely say yes!
