Yes, Minesweeper can be solved without guessing if the player carefully analyzes the patterns and numbers revealed by uncovered squares. By using logical deduction and reasoning, players can often uncover all the safe squares without having to resort to guessing.

Can Minesweeper be solved without guessing? - Quora : Can-Minesweeper-be-solved-without-guessing

Clicking both the left and right mouse buttons simultaneously over a number that already has its mine(s) found, will open all the blocks around it. This can save time. So, once you find all the mines around that number, click the right and left mouse buttons simultaneously.
