1. Desenhos a lápis: Como o próprio nome sugere, esses desenhos são criados usando lápis e papel. Eles podem variar de esboços simples a desenhos altamente detalhados ou realistas.

2. Desenhos a tinta: Nesse tipo de desenho, pintura usada para criar linhas e formas em papel ou outras superfícies.

3. Desenhos digitais: Com a disponibilidade crescente de software, e dispositivos para arte digital, muitos artistas optam por criar desenhos usando tablets ou outros aparelhos sensíveis ao toque. Isso permite uma gama enorme de efeitos, além de permitir com os pintores trabalharem em camadas e fazerem alterações facilmente.

4. Desenhos de retratos: Esses desenhos se concentram em capturar a aparência e a personalidade de uma pessoa específica. Eles podem ser feitos usando toda a variedade de meios, desde lápis e carvão até tinta e pintura.

5. Desenhos de paisagens: Esses desenhos tentam capturar a beleza e a essência de um determinado local ou paisagem. Eles podem variar desde vistas amplas mais detalhadamente até vistas menos abstratas e impressionistas.

to produce plugs, seed should be sown indoors at least 7 weeks before transplanting seedlings outdoors. Wild senna, as with many other legumes, has a hard seed coat. Scarify or chip the seed in order for water to be absorbed. Soak the seed in warm water for three hours before sowing.

Wild Senna - USDA Plants Database : Document Library : factsheet : pdf : fs_seh3
