<p&gt;The game takes place during World War II and its story is divided into
three separate campaigns
                           Soviet, British, 🧬 and American
                                                                    each focus
ing on different historical events. Soviets start their campaign during the Batt
le of Moscow and have 🧬 to defend the city, while the British start in
North Africa and are tasked with a sneak attack on Afrika 🧬 Korps troop
s. American campaign, on the other hand, begins during the famous D-Day and take
s the player through other important 🧬 events, including the ones revol
ving around the Hill 400.</p&gt;
<p&gt;The game features a variety of historically-accurate weapons from the W
WII era. 🧬 Defeated enemies drop their weapons
                                                         you can pick them up a
nd use, but you can only wield two firearms 🧬 at any given time. Combin
ed with limited ammo, you are encouraged to make use of everything you can find.
Defeating 🧬 groups of enemies can be done with frag grenades, while sm
oke grenades provide tactical cover.</p&gt;
