It's portrayed with the US military. While the game may draw inspiration from real

33; important to remember that his work is designed for entertainment! How accurate is the US Military? - Quora 129766; sequora :How-Accurate/ISAWhite-90psul

In total, the game earns your Mature rating with violence on. Well, a simple solution for myself is to run in Windowed (fullscreen) mode. It seems regular default fullscreen is what causes terrible lag. Also, some don't notice that the game defaults their resolution scale above 100%, and some people can't handle that much usage, which causes lag. dial it down to 100.
