&lt;p&gt;&lt;/p&gt;&lt;p&gt;Football corners predictions is one of the fairly new tips offered by tipsters and by us. Some say it&#39;s luck &#128076; predicting corners in a football game, but we at AFootballReport find in corners very profitable markets especially in live events &#128076; when odds go very high as the game evolves.So how do we predict corners? Of course as any other football &#128076; prediction and corners are related to a number of pre-match and team factors. First of all we should see the &#128076; type of game we&#39;re looking for or the type of game we want to predict. Is it a game with &#128076; a strong favorite or just two equally strengthen teams that play. If it&#39;s a game with a strong favorite probably &#128076; we should pay attention to the corners race predictions as strong favorites always keep the ball in possession more than &#128076; the other teams and create more chances as they push forward almost during the whole game. Keep in mind in &#128076; live events that if the score is in favor of the favorite team then this team would not be so &#128076; motivated to create chances and would probably win less corners than in a draw event or from behind.&lt;/p&gt;  
&lt;p&gt;Second thing we &#128076; should use when making our corners tips is to see the teams lineups and tactic for the upcoming game. Target &#128076; teams with more offensive tactics and teams that use wingers heavily in their attacks. For example, some good wingers for &#128076; the home team could easily produce more than 10-20 crosses in the penalty area which very often defenders clear in &#128076; corners.&lt;/p&gt;
