&The game is similar to candy crush, except that inst  
ead of candy, we have Harry Potter characters. The game is #128516; structured  
on levels, which have an increased level of difficulty as they are passed succe  
ssfully. At each level, you will #128516; have a limited time to solve it. You  
will have to match at least 3 characters in the same row #128516; to earn poi  
nts. Try to solve the level as fast as possible so that in the end you make sure  
#128516; that you manage to win it.  
&Here you will also meet boosters or special powers that you receive as  
a gift #128516; depending on how many characters you join in the same row. For  
example, if you manage to unite five characters #128516; in the same row, you  
will receive extra points and extra time to continue the level and manage to co  
llect #128516; more coins. The game is suitable to be played with your friends  
because they can also give you hints to #128516; help you identify the matche  
s in the game map faster. You will also have fun together and be able to #12851  
6; test your attention together.  
&Enjoy it!
