Subway Surfers is a classic endless runner game. You

play as Jake, who surfs the subways and tries to escape from the grumpy

Inspector and his dog. You'll need to dodge trains, trams, obstacles, and

more to go as far as you can in this endless running game. Collect

coins to unlock power-ups and special gear to help you go further every

time in Subway Surfers. Furthermore, coins can be used to unlock different

characters and boards. With your keys you can customize the characters

and upgrade your hoverboards with special powers. Don't forget to complete

the awards, since they give you keys. In 'MyTour' you can collect

rewards from completing daily Word Hunts. You can also find missions

there. Subway Surfers was created by Sybo in 2012. And till this day it is

one of the most popular games online!

Subway Surfers went HTML5, so you can play the game now on your mobile

phone and tablet online in your browser exclusively on Poki. Next to

that, you can still enjoy playing Subway Surfers on your PC. You can play

the game for free without downloading it. If you are interested in games

What is the latest world?

Ho ho ho! It's the most wonderful time of the year once

again! We're leaving London behind and are going to pay a visit to the

winter wonderland of the North Pole. It may be cold and snowy, but there's

a lot to see and explore! Set out for the ice caves or have a look

at the gift factories. Visit the cozy villages or take a look inside

of an igloo. It's going to be a white Christmas for sure! Happy Holidays,
